

Villa for sale in Dolceacqua

€ 109.000

Ref. 5V18

48 sq.m. | Bedrooms: 1 | Rooms: 2

Lovely rural property for sale Dolceacqua, West Liguria, Italy.

Tucked away in the picturesque hills of Dolceacqua, amidst the unspoilt nature of the Ligurian hinterland, this rural property for sale, presents interesting options to be transformed into a cosy home within the privacy and quietude but at the same time not too far from the mundane life of the coast with its beaches and the great diversity of shops, restaurants and bars.

The rural property for sale in Dolceacqua is surrounded by private land over 4,800 m2 with a enchanting view overlooking the postcard like panoramics of the valley up to the village and is set over two floors consisting of a large van on the ground floor and a further one spacious room on the upper level.

It's possible to extend the rural property for sale in Dolceacqua thanks to the italian law "piano casa" or to the index of the land which allows to build 48 m2 of habitation and 50 m2 of storage space/shed tools.

The rural house for sale in Dolceacqua, is easily and conveniently accessible by two roads.
