Wonderful and very typical town house for sale in Santo Stefano al Mare, placed in the heart of the oldest part of the village, this lovely house is just a few steps from the sandy beaches, the best restaurant and all amenities.

Surrounded by the typical narrow streets named "carrugi" this property for sale spreads into two floors.

Santo Stefano al Mare is a lovely village famous for its beautiful beaches, crystal-clear waters, and panoramic views of the Ligurian Sea. With small streets lined with colorful buildings and a gorgeous harbor filled with fishing boats, the town has a delightful, typical Italian air.

The gorgeous medieval church, with its distinctive bell tower, is a must-see attraction in town.
