'Via al Capo 2' is an exclusive new residence of 11 luxurious apartments for sale that stands in a unique setting, nestled among ancient medieval dwellings, a few steps from the beating heart of the historic centre and overlooking the sea and the picturesque marina of Bordighera.

The project stands out for its energy class A, guaranteed by excellent thermal insulation, an efficient independent heating and cooling system with a heat pump and latest-generation double-glazed windows. Other apartments of various sizes, all different from each other, are still available, including the splendid and unique penthouse with a terrace of over 340 m2. Contact us for more information and availability.
